July

Ruby

August

Peridot Spinel Sardonyx

September

Sapphire

October

Opal Tourmaline

November

Topaz Citrine

December

Turquoise Tanzanite Zircon

Two or three stones?

Some months have more than one. Pick the one that suits the budget, the colour or how it will be worn.

Wearing it every day?

Pearl, opal and turquoise are soft. They suit pendants and earrings better than rings.

The modern list used by US jewellers (Jewelers of America and AGTA). Colours vary in nature; the drawings show a typical shade.
